It is necessary to inform that the company violated the client's term or contract, not considering what was his right. The company has repeatedly ignored its request to start with its Trading Plan on Currency Pairs financial products.

The areas responsible for managing the support and sales customer margin, completely violated the Brazilian Civil Code for Moral Damage and Consumer Law, also committed the Crime of Discrimination for Less Price, totally ignoring customer dissatisfaction.

My 3 accounts were controlled by electronic crimes and financial fraud, all currency pairs prices were sabotaged, making it difficult to leverage the banks, generating losses consecutive batch standards. It is important to point out

that the lowering of the accounts have been programmed by the responsible department "Order Desk", prices were completely controlled bid / ask spread for each currency pair in more than 300 Points.

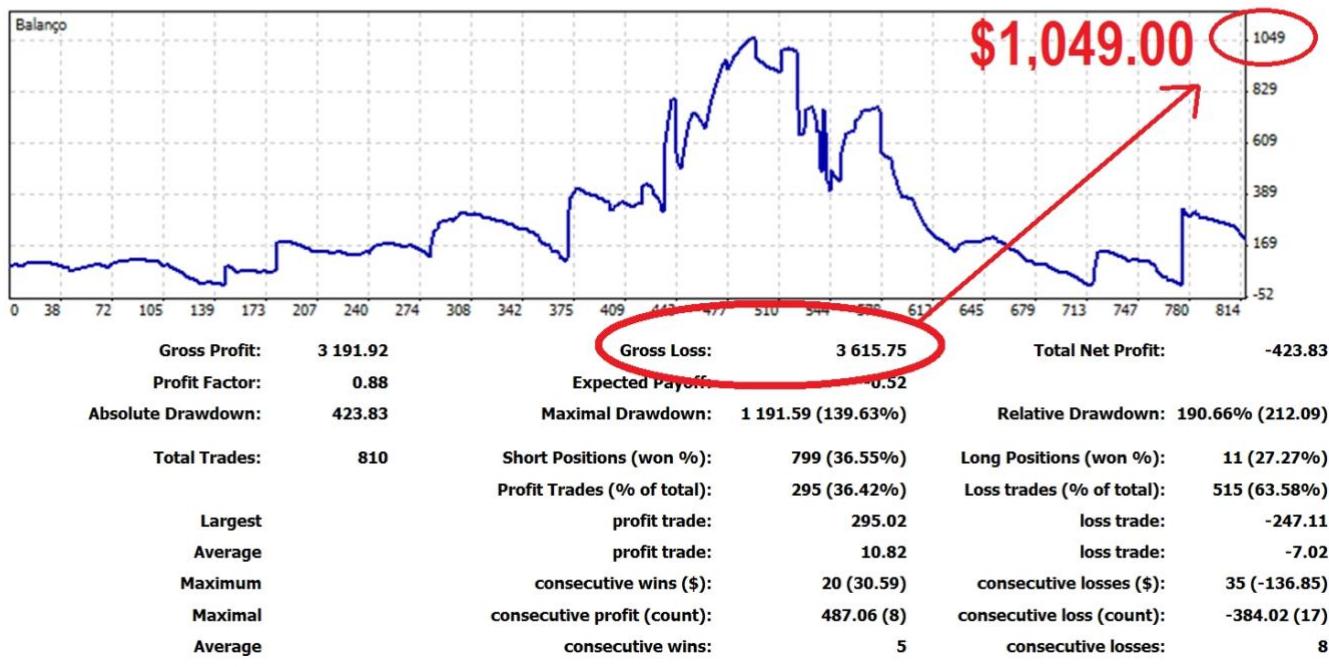

Recalling that the commissions were applied with high service together with wire fraud. The term or contract the company allowed the withdrawal of over \$ 1,300.00 USD of 3 accounts in the trading platform MetaTrader 4.

See the detailed report with the absolute drawdown of the account **14004784 total balance -US\$3,615.00 USD (Gross Loss) e Gross Profit US\$3,191.92 USD**
